### **Hiking & Outdoors**

Bear Lake Reserve owns 6 miles of shoreline where you can fish and nearly 17 miles of hiking and walking trails.

## Additional Considerations

When coordinating events such as weddings and receptions, Bear Lake Reserve requires patrons to enlist the help of an outside wedding planner or special events company. This ensures a smooth and seamless experience for everyone. We can also provide a list of preferred vendors in the area to address any needs for your event not covered by our services. All outside catering and vendors must be approved in writing by our Events Manager.

Bear Lake Reserve is not responsible for gift security or personal effects, or for damage to rental property caused by guests during your event. A credit card will be kept on file in case of damages.

All decorations — including installation and removal — will be the responsibility of the patron and are not included in the venue rental price. We are not responsible for any items that are left on the premises after the event. Bear Lake Reserve permits the supply of decorations by the hosting party as well as outside vendors. In order to uphold the event standards of Bear Lake Reserve, the Bear Lake Events Manager must approve all decor.
